Dear Legacy Partner,

I'm excited to connect with you regarding a potential partnership with **Divine Women in Business** for our upcoming **Magazine Launch Party** taking place June 2026 in Tampa, FL.

Awaken Your Light™ has now concluded as a powerful, transformational retreat experience, one that brought together women entrepreneurs, leaders, and creatives from across the U.S. for seven days of luxury, empowerment, mental wellness, and spiritual healing. The experience was amplified through high-visibility media moments, including styled photoshoots, influencer activations, and featured coverage in **Divine Women in Business Magazine**.

Our **June 2026 Magazine Launch Party** serves as both a celebration of this legacy and an official media-forward kickoff for the Awaken Your Light™ 2026 experience. We believe a partnership with your brand would be truly synergistic. By becoming a sponsor, your brand will:

- Gain premium visibility across our next luxury Awaken Your Light retreat, magazine launch, and media platforms.
- Be featured across our media platforms, book, podcast and magazine coverage.
- Align with a movement that champions women's wellness, empowerment, and advocacy, including our **"She Rises"** luxe shoe line debut in support of *domestic violence awareness*.
- Provide opportunity by funding a scholarship for a woman to attend the retreat, receive healing and connections and be featured in **Divine Women in Business Magazine** as part of your sponsorship *legacy*.

Our sponsorship packages are designed to offer tailored benefits, ranging from brand visibility in our media outlets to exclusive product placements, co-branded activations, and luxury retreat experiences. We'd be happy to customize a package that reflects your company's values and marketing goals.

I'd love the opportunity to discuss how we can collaborate to create a meaningful and mutually beneficial partnership. Please let me know a convenient time for us to connect.

With gratitude and vision,

Emily Correa

WOMEN'S WELLNESS & HEALING

MY STORY

I am Xa'Vonni (Emily Correa)—a Creative Visionary, Publicist, and Founder of **Divine Women in Business (DWIB)**. My journey is not only about building *brands*, women *empowerment events*, *luxé retreats*, and *movements*—it is rooted in legacy, love, and *resilience*. My journey has always been about merging strategy with *soul*, luxury with *healing*, and influence with *impact*.

For over a decade, I worked in Fortune 500 consulting and coaching, witnessing how brilliant women's voices were often softened, silenced, or hidden behind systems that were not designed for them. Deep within, I knew I was here to create something different, a movement that awakens the feminine, amplifies her power, and reminds women of their right to lead, create, and rise unapologetically into their divine power.

In 2023, I lost my mother, my greatest teacher, to ovarian cancer after her three year journey with chemotherapy. She was a healer in her own way, a healthcare worker for over 30 years, a devoted mother of us four siblings, and a woman who gave everything to nurture others. Losing her opened my *heart*. It awakened something *ancient* within me, a *remembrance* that a life well lived in our passions is sacred, that love is *medicine*, and that *legacy* is the truest form of *immortality*.

My mother and her womanhood are my *legacy*. Everything I create from collectives that amplify women's voices to spheres that nurture their healing is dedicated to her spirit. She showed me what it means to give, to nurture, and to fight for others.

I now carry that torch, transforming her compassion into global empowerment for women. Through my work, I honor her by building spaces where women are *seen*, *heard*, *healed*, and *celebrated* not only for what they achieve, but for who they truly *are*. My story is one of turning grief into purpose, honoring the women who came before us, and illuminating the path for those who will rise after *us*.

WOMEN'S WELLNESS & HEALING

TRANSFORMATIONAL COACHING

We advocate for women's mental health and spiritual healing through workshops, retreats, and community initiatives. At the Awaken Your Light Retreat, women experience transformational practices such as yoga, meditation, sound healing, and empowerment circles designed to restore balance and inner strength.

DOMESTIC VIOLENCE AWARENESS & ADVOCACY

Through our She Rises luxe shoe collection and media platforms, we are proud to raise awareness for domestic violence survivors. Sponsorship support allows us to fund scholarship spots so women in need can attend the retreat, receive healing support, and be featured in Divine Women in Business Magazine to share their voices.

VISIBILITY & MEDIA EMPOWERMENT

DWIB empowers women to be seen and celebrated. Through **Divine Women in Business Magazine**, curated photoshoots, and influencer collaborations, we give women leaders, creatives, and entrepreneurs media visibility that elevates both their brand and their story.

COMMUNITY & CONNECTION

Whether at our retreats, magazine launch parties, or online global community, DWIB fosters meaningful sisterhoods where women collaborate, share resources, and build lifelong connections. Each gathering is designed to merge luxury, wellness, and empowerment in ways that create lasting impact.
